Father's Day

Father's Day is a celebration of fatherhood, paternal bonds, and the influence of fathers in society. TCIS celebrated Father's day with a lot of enthusiasm on 17th June '22. The teachers of TCIS made their learners understand the importance of a father in their lives.

Yoga Day

TCIS celebrated International Yoga Day on 21st June 22 with fervor. The little Cambrians thoroughly performed various Asanas under the guidance of the teachers. The power of yoga was visualized during the session.

21
June

Drawing Competition

Every child is an artist. Keeping this in mind and to explore the creative potential in the young minds of our children, an inter-house drawing and coloring competition was held with the theme of using different shapes to draw animals for KG learners.

July

Eid-Al-Adha

Eid al-Adha, the "Festival of the Sacrifice" On Friday 8th July, the Learners of TCIS celebrated Eid al Adha. All the tiny tots took part in the card-making activities. To acquaint them with its religious significance, the teachers explained the history and stories.

Solo Dance Competition

TCIS organized Solo Dance Competition for Pre-primary learners. The participants dressed in colorful costumes twirled around and the awesome dancers set the Dance floor on fire with their energetic performances. They were appreciated for their costumes, props, and choreography.

12
July

Music Competition

To bring out the singing talent of the learners Solo Singing Competition was organized. It cheered the spirit and lightened the heart of our little learners. Our little Cambrians showed their mastery over voice modulation, pitch, rhythm, and tone.

July

Field Trip to Library

TCIS arranged an educational field trip at the 'Sarvajanic Vachnalaye' for grade III learners. They explored and learned new genres such as fantasy, historical, autobiography, comic, science fiction, drama, poetry, etc.

Field Trip to Plant Nursery

The grade I learners of TCIS visited Shriram Plant Nursery. The planned trip aimed to allow learners to know more about the parts, types, sizes, and shapes of plants. They also learned to identify new plants. The students enjoyed the field trip and came back with a takeaway of knowledge about plants.

23
July

Blue Colour Day

Classrooms were decorated with blue colour bag, umbrella, balloon, clouds, flower. They were introduced with different shades of blue and learners were made to recognize Blue colour. It helped to create the cognitive link between visual clues and words.

Welcome Day

TCIS was delighted to welcome all the kids back into the school premises. Various welcome activities like Zumba, riddles, tongue twisters, Pictionary, etc, rejuvenated and made the learners feel comfortable and fresh which was reciprocated by the smile on each learner's face.

17 June

Father's Day

We at TCIS acknowledge 'Fathers', the unsung heroes who are the first teacher to teach us about good and evil. To appreciate each champion, students from grades I to IV made small greeting cards for their fathers as a token of love.

Yoga Day

TCIS observed Yoga Day to promote mental and physical well-being among students. TCIS wishes that each learner practices this wonderful way of living a healthier life. To inculcate this practice and to create awareness Yoga, various asanas were taught by our yoga trainer to our learners.

22 June

Academic Orientation

The event aimed at familiarizing the parents to school, its faculties and also the curriculum, teaching methodologies and the co-scholastic activities. Our CMD Mr. Bipin Pote welcomed the parents with an insightful speech followed by the school principal Mrs. Heena Mam.

5 July

National Doctor's Day

TCIS celebrated National Doctors' Day, to mark the birth and honour of renowned physician and former West Bengal chief minister "Dr Bidhan Chandra Roy". Cambrians celebrated this day by showing gratitude to those who serve as doctors and are a part of this noble profession.

7 July

World Chocolate Day

We, The Cambrians celebrated World Chocolate Day with various activities such as fireless cooking, chocolate sandwich making, cake baking, etc. We had a great speaker Mr. Mandar Bhosale who shared the health benefits of including chocolate in our diet.

Field Trip to Cream Chills

The Grade V learners of TCIS visited Cream Chills on 16th July 2022 as a part of their (Science) field trip. The planned trip aimed to allow learners to know more about the art of ice cream making along with how it can associate with different processes in science.

16 July

Field Trip to Kala Talav

Our eager and curious learners of Grade IX & X were taken to Kala Talao in Kalyan as a part of their English subject field trip. The aim was to let the students have a live experience that they could later pen down describing it helping them to improve their observational as well as writing skills.

16 July

16 July

Field Trip to Science Lab

TCIS believes in learning by doing and provides our little learners with the best hands-on learning experience. Not only did our learners observe basic science experiments, but also got a chance to peep through the eyepiece of a microscope and look into the world of tiny cells.

23 July

Steam Workshop

TCIS conducted STEM activities from grade I to VIII to cultivate the seeds of excitement & curiosity in our young learners. Different activities were conducted across different grades which will help the students to link their theoretical knowledge and principle behind their day-to-day activities.

Field Trip to Gym

The trip aimed to allow students to understand the importance of a healthy body and a healthy lifestyle and try to inculcate it in their day-to-day lives. Learners were explained about uses of equipments and were given a chance to use them under trainer's supervision.

26 July

Friendship Day

Learners enthusiastically celebrated Friendship Day. The learners enjoyed a movie and songs and understood the essence of friendship. On this occasion, the teachers explained the learners the feelings of warmth or compassion towards friends.
